

## Our Beginning's....

Alpha Phi Alpha Fraternity is the first inter-collegiate Greek fraternity established for African Americans. Founded on December 4, 1906 on the campus of Cornell University. The Delta Xi Lambda Chapter was established in Orlando, Florida December 22, 1953. Alpha Phi Alpha men are dedicated to "Manly Deeds, Scholarship & Love for all mankind."

The organization achieves these goals through services to others. The organization focuses on the better making of men in which the YMOD program strives.

The YMOD program focuses on

- Academic Development
- Leadership Development
- Personal Development
- Social Development

Attention is given to these principles through participation in monthly modules, social activities and community services.

Alpha Phi Alpha has established a number of community programs and combines its resources with other organizations on philanthropic projects. Programs include "Go to High School, Go to College" & "A voteless people is a hopeless people". Joint projects include March of Dimes, Head Start Male Partnership, Boy Scouts of America and Big Brothers Big Sisters of America.

## Who we are...

Alpha Phi Alpha Fraternity, Inc. Hankins/Johnson Education Foundation is dedicated to uplifting and educating the African American Community. The fraternity has formed national mentoring partnerships with organizations dedicated to helping minority youth. The purpose of the YMOD program is to promote and instill in middle & high school males a sense of academic development, personal development, social responsibility and leadership development.

## What we do...

### Academic Development

Our program strengthens students academically in areas of study skills, college preparation, goal setting and career exploration by tutoring and mentoring young men.

### Leadership Development

Our program develops young men leadership skills by engaging them in leadership conferences annually and through Entrepreneurial workshops. YMOD participants are also trained in the areas of public speaking and Civic Awareness.

### Social Development

Our program engages the participants in diverse social settings. Participants are exposed to historical and cultural enrichments, etiquette training, leisure and team building activities.

### Personal Development

Our program teaches communication skills, conflict resolution, sex education & responsibility, Self discipline, time management and health & hygiene. Participants engage in action and scenario learning.
